

# Amplifying Access: NCQA-Credentialed National Network

We hear you, network matters. That's why Amplifon Hearing Health Care keeps your members tuned in with access to one of the nation's largest hearing networks.

## 90% OF PEOPLE ARE JUST 10 MILES FROM CARE

### NETWORK STRENGTH

A nationwide network of **8,800+ locations**, including over **1,400 mobile-covered locations**, supported by more than **6,500 fully contracted and NCQA-credentialed providers**.<sup>1</sup>

### NETWORK MIX

With **40% retail and 60% independent providers**, Amplifon offers members a range of care options, from convenient locations to personalized service and flexible hours. We're also the **exclusive hearing benefit administrator for Miracle-Ear®**.

### NETWORK IMPACT

Nearly **90% of the U.S. population resides within 10 miles of an Amplifon provider location**.<sup>2</sup> Because great hearing should never be far out of range.

### PROVIDER LOCATOR

Offering streamlined access to nearby providers, detailed profiles for informed decisions, and advanced search tools for a seamless experience.

### DEDICATED SUPPORT

Our Provider Relations and Provider Recruitment teams deliver dedicated support tailored to meet the needs of our partners and their members.
