The Amplifon Difference for Public Sector

At Amplifon Hearing Health Care, hearing benefits aren't just a checkbox — they're an opportunity to deliver meaningful value to your employees and strengthen your benefit plan.

With 30 years of experience, we understand the unique needs of public sector employers and their employees. As an independent hearing benefits administrator, we're not owned by a manufacturer or health plan — so your employees receive unbiased guidance, more choice, and transparent pricing from the start.

Our solutions promote employee well-being and help reduce downstream health costs by addressing hearing loss early — all through a seamless, trusted experience.

10 Reasons Why Employers Choose Amplifon

Transform your hearing benefit into a meaningful advantage for your employees

No manufacturer or health plan ownership means we always act in your employees' best interest — not a parent company's.

1. Independent & Unbiased

We partner with your organization to provide expert, ongoing support that aligns with your goals and your employees' needs.

2. Trusted Advocate for Your Employees

Access to one of the largest formularies with product lines from leading brands — enabling providers to recommend the best solution and giving employees choice to match their needs and lifestyle.

3. Unmatched Choice in Hearing Aids

Fixed pricing with nearly 70% average savings¹ on hearing aids. Plus, follow-up care, batteries, warranties, financing, and a 60-day risk-free trial — at no extra cost.

4. Transparent, All-Inclusive Pricing

With nearly 90% of the U.S. population living within 10 miles of a provider², employees have easy access to high-quality hearing care through our nationwide network of NCQA-credentialed providers.

5. High-Quality, Nationwide Network

Employees are guided through their hearing journey by a dedicated Hearing Care Advocate — from their first call to follow-up care — ensuring a seamless, consistent experience that mirrors your organization's service values.

6. Personalized, On-Demand Support

We utilize the CAHPS³ survey to evaluate and continuously improve the member experience — giving your organization valuable insights aligned with national standards.

7. Measuring Member Experience

Our turnkey communications strategy fits seamlessly into yours with targeted multi-channel co-branded messaging to boost awareness, education, and engagement.

8. Integrated Communications

Our internal Compliance Committee ensures quality, privacy, audits, and provider standards are consistently upheld.

9. Reliable Compliance & Oversight

From provider credentialing to claims processing and custom reporting, Amplifon is your single-source partner for hearing benefit management.

10. Complete Plan Administration
